

# KATAIBA SIS

Have to go all  
the way down  
to get the  
true ending

caving guides?

Start

try again?  
more on?  
succumb?

give some things up  
to progress

blood/data as both good  
lead?

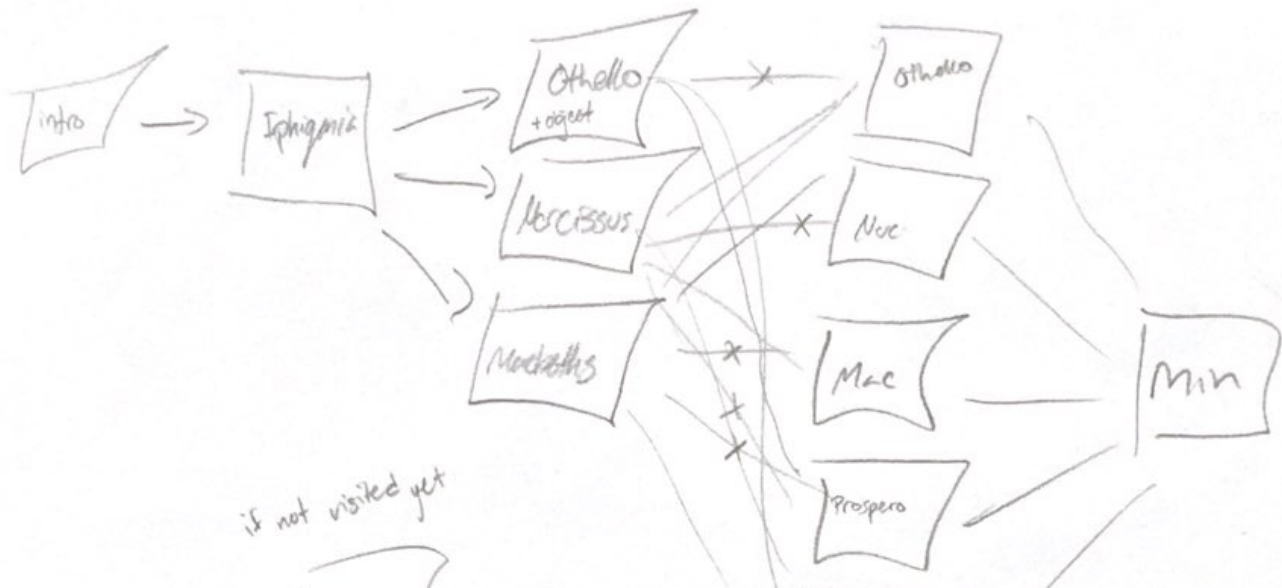

fuck good/lead

offering?  
- yes  
- no

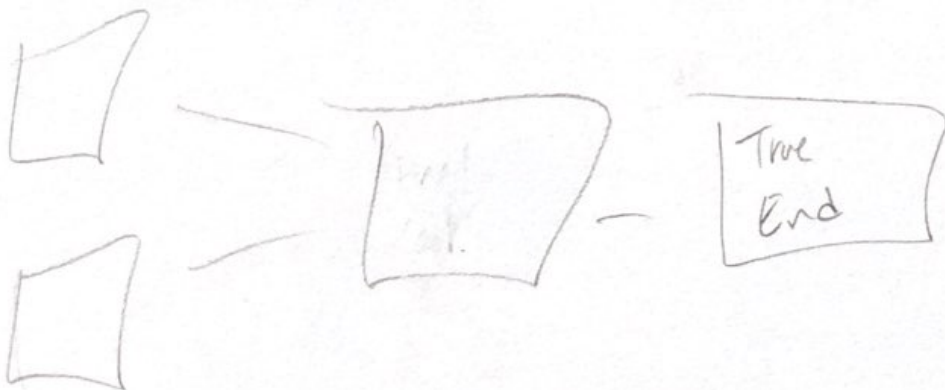

encounters

End

if not visited yet

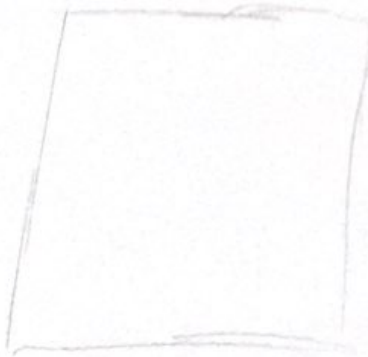

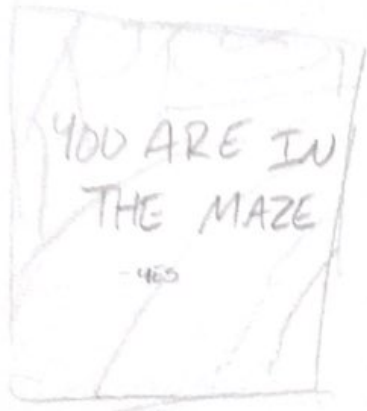

Gender?

- YES

- NO

What are you looking for?

leaf note?  
maybe?  
moleaf?

horns? no horns?  
horns as gender marker

sear tracks  
like a  
cheetah?

blood = information

blood offering to talk  
to dead like  
offering  
part of yourself  
to the digital  
world

the more ghosts you talk  
to, the more likely you are  
to lose all of yourself

inverted?

connection point  
should have

empty

callback  
to parents
